

PERSONAL ACCIDENT INSURANCE COVER

A Personal Accident insurance scheme has been set up with our insurance company to provide an extra benefit to all of our flexible employees.

Individuals are covered from the start of the first assignment and ends when he/she leaves the services of Taskmaster. The insurance cover will include accidental death or injury and will include occupational accidents as well as any that occur whilst commuting to or from work. Below is a summary of the cover;

- Temporary Disablement - £200 per week (after 14 days of incapacity following an accident for up to 52 weeks), or 75% of the person's average gross weekly wage if less than £200 per week.
- Death £50,000
- Loss of arm, leg, sight, speech, etc £50,000
- Permanent Total Disablement £50,000

COST

We have arranged a preferential rate with our Insurance provider in order for us to provide this benefit at a minimal cost of £1.12 per week inclusive of insurance tax. For convenience, our payroll system sets up an automatic deduction of this amount to come off the employee's net pay each week.

If you do not wish to be provided with this insurance then an opt-out form is available from your local branch.
